## **CDSL E - Voting System:**

### **THE INTRUCTIONS TO SHAREHOLDERS FOR REMOTE E-VOTING:**

- Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on 19<sup>th</sup> August, 2024 at 9.00 A.M and ends on 21<sup>st</sup> August, 2024 at 5.00.p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (**record date**) 14<sup>th</sup> August, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the Meeting date would not be entitled to vote at the Meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**Pursuant to above said SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:**

Type of Shareholders	Login Method
<b>Individual Shareholders holding securities in Demat mode with CDSL Depository</b>	<ol style="list-style-type: none"> <li>1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. **EXPLANATORY STATEMENT**

(Pursuant to Section 102 of the Companies Act, 2013)

**Item No. 4:**

The Company has received notice in writing from a Member pursuant to section 160 of the Act proposing the candidature of Dr. D.Nageswara Rao for appointment as an 'Independent Director' on the Company's Board.

The Nomination & Remuneration Committee of the Board duly considered and evaluated the proposal for the said appointment and recommended the same to the Board for its consideration for further approval of the Members.

Your Board hereby confirms that the Company has received necessary declaration(s) / disclosure(s) from Dr.D.Nageswara Rao as specified hereunder:

- Declaration pursuant to Section 152(4) of the Act confirming that he is not disqualified to become a Director under the Act;
- Consent to act as director in the prescribed form DIR-2 pursuant to Sec 152(5) read with Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014
- Declaration pursuant to section 149(7) of the Act (read with regulation 25(8) of the SEBI (LODR) Regulations), that he meets the criteria of independence prescribed under section 149(6) of the Act (read with regulation 16(1)(b) of the SEBI (LODR))

In terms of proviso to section 152(5) of the Act, the Board is of the opinion that Dr. D.Nageswara Rao fulfills the conditions specified in the Act and the rules made thereunder for the said appointment.

**Brief profile and justification for proposing Dr. D.Nageswara Rao as Independent Director (pursuant to section 150(2) of the Act and Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015) is as under:**

Dr.D.Nageswara Rao, aged 76 years is a Post-graduate in Electronic Engineering from Birla Institute of Technology & Science, Pilani and he was awarded Doctorate from Royal College of Science & Technology, University of Strathclyde, UK. He published original Research Papers in various International journals and participated in more than 20 International Seminars and Conferences. He has guided Ph.D research work entitled "Education Process Re-engineering-Metrics for Excellence and Indexing Excellence with Fuzzy Logics". He is an active Member in many Trade Associations and holds three Patents jointly with VNRVJIET.

In the year 1978, he started his own design & manufacturing facilities by the name Duke Arnics which has grown into an ISO 9001-certified Technology Development Centre with full-fledged modern manufacturing facilities. Duke Arnics became a Pioneer and leader in India with global recognition in Electricity Metering Monitoring and Management System, which was later disinvested in favour of Havells Limited in the year 2003. In the same year, Dr. D.N.Rao founded X\_Design Ventures, an innovation in Automotive Electronics, and is presently, its Chairman.

Dr.Rao is a mentor for many start ups and most recent among them is M/s. Magellan Life Sciences. Dr.Rao is one of the trustees of "Nuthakki Ramaseshaiah Memorial Trust" and actively participates in its activities to create infrastructure for schools located near deprived communities.

His rich experience in his professional field and his zeal to work for the upliftment of deprived sections of the society are commendable.

In view of above, the Board considers that the appointment of Dr.Rao on the Company's Board *notwithstanding that he is above 75 years of age*, would be of benefit to the Company and it is desirable to avail his services as Independent Director. Accordingly, the Board recommends the resolution set out at item No.4 of the Notice, in relation to his appointment as Independent Director, for the approval by the shareholders as a special resolution pursuant to regulation 25(2A) of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015.

He also holds directorships of other Companies, the details of which given in the Annexure to the Notice

Except Dr.Rao, being the appointee, none of the other Directors or Key Managerial Personnel of the Company or their relatives is in any way, concerned or interested, financially or otherwise, in this resolution. He does not hold any shares in the Company.

The terms and conditions of approval for appointment of his directorship shall be open for inspection by the Members at the Registered Office of the Company during normal business hours on any working day.

**Item No. 5:**

The Board of Directors of your Company appointed Shri Simhadri Suryanarayana as an Additional Director on the Company's Board under section 161 of the Companies Act, 2013 (the 'Act') with effect from 27.05.2024, to hold office upto the ensuing Annual General Meeting (AGM).

The Company has received notice in writing from a Member pursuant to section 160 of the Act proposing the candidature of Shri. Simhadri Suryanarayana for appointment as an 'Independent Director' on the Company's Board.

The Nomination & Remuneration Committee of the Board duly considered and evaluated the proposal for the said appointment and recommended the same to the Board for its consideration for further approval of the Members.

Your Board hereby confirms that the Company has received necessary declaration(s) / disclosure(s) from Shri. Simhadri Suryanarayana as specified hereunder:

- Declaration pursuant to Section 152(4) of the Act confirming that he is not disqualified to become a Director under the Act;
- Consent to act as director in the prescribed form DIR-2 pursuant to Sec 152(5) read with Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014
- Declaration pursuant to section 149(7) of the Act (read with regulation 25(8) of the SEBI (LODR) Regulations), that he meets the criteria of independence prescribed under section 149(6) of the Act (read with regulation 16(1)(b) of the SEBI (LODR)).

In terms of proviso to section 152(5) of the Act, the Board is of the opinion that Shri. Simhadri Suryanarayana fulfills the conditions specified in the Act and the rules made thereunder for the said appointment. He does not hold any shares in the Company.

**Brief profile and justification for proposing Shri Simhadri Suryanarayana as Independent Director (pursuant to section 150(2) of the Act) is as under:**

Shri. Simhadri Suryanarayana, the proposed appointee, aged 57 years, is a Chartered Accountant by profession. He has also pursued Management programme in Public Policy from the Indian School of Business (ISB). He has an expertise in the field of Finance, Auditing and Taxation among others.

He is an Independent Director and a Nominee Director in few other reputed Companies.

In view of above, the Board considers that the appointment of Shri. Simhadri Suryanarayana, would be of benefit to the Company and it is desirable to avail his services as Independent Director. Accordingly, the Board recommends the resolution set out at item No. 5 of the Notice, in relation to his appointment as Independent Director, for the approval by the shareholders as a special resolution pursuant to regulation 25(2A) of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015.

Except Shri. Simhadri Suryanarayana, being the appointee, none of the other Directors or Key Managerial Personnel of the Company or their relatives is in any way, concerned or interested, financially or otherwise, in this resolution. He does not hold any shares in the Company.

The terms and conditions of approval for appointment of his directorship shall be open for inspection by the Members at the Registered Office of the Company during normal business hours on any working day. **IV. DISCLOSURES:**

### 2). OPERATIONAL PERFORMANCE:

India's economy has been notably resilient amidst the past year's global inflation and supply chain constraints, boosting an impressive growth rate of 7.8% in the F Y 2023-24 exceeding the average G20 rate of 3.4%. The strong growth in the manufacturing sector, higher than expected agricultural output and robust Government spending have made India the world's fastest growing major economy. India is now the fifth largest economy in the world GDP rankings list.

The BSE stock market Sensex has been displaying an upward trend since 2016, characterized by a consistent formation of higher highs. Since the COVID-19 low, the BSE index has experienced a remarkable increase of 187%. In the F. Y 2023-24 the BSE Sensex started at 58,992 levels and ended at 73,651 levels marking a year on year return of 25%. During the F. Y 2023-24 the BSE Sensex index has touched multiple record highs.

The Company recorded Gross Income of ₹1,488.93 lakhs as compared to ₹360.03 lakhs in the previous year. Profit after tax stood at ₹1,037.74 lakhs after providing current year tax provision of Rs.116 lakhs as compared to Profit after tax of ₹55.05 lakhs in the previous year. The performance during the year ended 31.03.2024 was extremely good mainly on account of positive/encouraging Stock Market conditions and increase in valuation of investments. The rental incomes have been on expected basis. The Company continues to actively and closely monitor its portfolio investments in mutual funds and equity shares cautiously and optimistic about the Indian economy outlook to generate optimum returns by way of capital appreciation and periodic dividend returns.

**3). DIVIDEND:**

Your Company has a dividend policy that, inter alia balances the objectives appropriately rewarding shareholders and retaining capital in order to fund future growth. It has a consistent track record of dividend distribution to Company Shareholders. In recognition of the overall performance during the Centenary year under review, your Directors are pleased to recommend a dividend at the rate of 40% (i.e., ₹4/- per Equity Share of ₹10/- each including Special Dividend of ₹1.50) for the financial year 2023-24 as against 20% dividend rate in the previous year. **MANAGEMENT DISCUSSION AND ANALYSIS****REVIEW OF ECONOMY:**

Indian economy remained resilient with robust 7.6% growth rate of GDP in F.Y 2023-24 over and above 7% growth rate in F.Y 2022-23. Double digit growth rate of Construction sector (10.7%) followed by a good growth rate of Manufacturing sector (8.50%) have boosted the GDP growth in F.Y 2023-24. India is now the fifth largest economy in the world GDP rankings list due to its strong economic foundations, thriving domestic demand, careful financial management, high saving rates and favourable demographic trends. The country's major economic contributors are traditional and modern agriculture, technology services, handicraft industry and business outsourcing. Amidst a challenging global scenario, India has emerged as a significant economic and geopolitical power. Its actions in the coming years could lay the groundwork for the country to become the world's third largest economy in the coming next five years.

The overall performance of the Company is quite encouraging comparing with previous year performance because of favourable Stock Market conditions and portfolio investments valuation during the Financial Year 2023-24. The Company will continue to focus its efforts to closely monitor portfolio Investment activity to generate optimum returns by way of capital appreciation and periodic dividend returns.

**INVESTMENTS:**

Total Investments as on March 31, 2024 is ₹ 4,570.69 lakhs excluding ₹ 250 lakhs of Fixed Deposits, ₹ 400 lakhs of Government Bonds and ₹ 100 lakhs of NCDs as against ₹ 4,026.47 lakhs of Investments and ₹ 250 lakhs of Fixed Deposits and ₹ 250 lakhs in Government Bonds and ₹ 50 lakhs of NCDs as at March 31, 2023.

**INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

The CEO and CFO certification provided in the certification section of the Annual Report discusses the adequacy of our Internal Control systems and procedures.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF

LAKSHMI FINANCE & INDUSTRIAL CORPORATION LIMITED, HYDERABAD.

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of **LAKSHMI FINANCE & INDUSTRIAL CORPORATION LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2024, the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in equity, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information( herein after referred to as the "financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (Ind AS), of the state of affairs of the Company as at March 31, 2024, its profit, the total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### Key Audit Matters

Key Audit Matters ('KAM') are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

#### KAM Title

*Deferred Tax Assets*

#### KAM Description

As per Ind AS 12 on 'Income Taxes', the Company has recognised deferred tax asset in respect of deductible temporary differences. However, the deferred tax asset has not been recognised for unused tax losses as the utilisation of deferred tax assets is dependent on the Company's ability to generate future taxable profits sufficient to utilise tax losses before they expire. We determined this to be a key audit matter due to the inherent limitations in estimation and uncertainty in forecasting the amount and timing of future taxable profits and the utilisation of tax losses.

Management is of the opinion that utilisation of the deferred tax assets arising from unused tax losses mainly depends on future taxable income generated by the Company. The future taxable income projections contain estimates and tax strategies which may be significantly impacted by changes in the Regulations, industrial scenario, the business, and market conditions. Hence, not recognised the deferred tax asset on unused tax losses.

#### Our Response

Our audit procedures included, among others, evaluating the future estimated business projections and projected tax computations prepared by the Company to assess the recognition and measurement of the current tax and deferred tax assets and liabilities and evaluate the compliance with the tax legislation. We paid attention to the long-term forecasts and critically assessed the assumptions and judgments underlying these forecasts by considering the historical accuracy of forecasts and the sensitivities of the profit forecasts. We assessed the adequacy and the level of estimation involved.

#### KAM Title

*Unused MAT Credit*

#### KAM Description

The Company is not recognizing such MAT Credit Entitlement in respect of Tax paid on Book profits in earlier years as the utilisation of MAT Credit Entitlement is dependent on the Company's ability to generate future normal taxable profits sufficient to utilise the available MAT Credit before they expire which depends on the country's fiscal policies to be announced in future years. We determined this to be a key audit matter due to the inherent limitations in estimation and uncertainty in forecasting the amount and timing of future taxable profits, changes in fiscal policies and utilisation of MAT credit.

Management is of the opinion that utilisation of the MAT credit mainly depends on future taxable income generated by the Company. The future taxable income projections contain estimates and tax strategies which may be significantly impacted by changes in the regulations, industrial scenario, the business, and its markets and therefore has not recognised the MAT credit entitlement.

**Our Response**

Our audit procedures included, among others, evaluating the projected tax computations prepared by the Company to assess the recognition and measurement of the current tax and evaluate the compliance with the tax legislation. We paid attention to the long-term forecasts and critically assessed the assumptions and judgments underlying these forecasts by considering the historical accuracy of forecasts and the sensitivities of the profit forecasts. We assessed the adequacy and the level of estimation involved.

**Other Information**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements:**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
  - (c) The Balance Sheet, the Statement of Profit and Loss, the statement of Changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of the written representations received from the directors as on 31st March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B."
  - (g) With respect to the other matters to be included in the auditor's report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Managing Director during the year is in accordance with the provisions of Section 197 of the Act.
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
    - iv.
      - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
      - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity

("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.
- vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its

books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

**Annexure – B to the Auditors' Report****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of LAKSHMI FINANCE & INDUSTRIAL CORPORATION LIMITED, HYDERABAD ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Meaning of Internal Financial Controls with reference to financial statements:**

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with reference to financial statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to financial statements issued by the Institute of Chartered Accountants of India.

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024****1. Corporate Information:**

The Company is a Public Limited Company listed on the National Stock Exchange of India (NSE) and is a Non-Deposit Accepting, Non - Banking Finance Company (NBFC) registered as an Investment Company with the Reserve Bank of India engaged in the business of investment in Equity Shares, Mutual Funds and Other Securities.

**2. Basis of Preparation and Presentation:**

The Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as financial statements).

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Act applicable for Non-Banking Finance Companies ("NBFC"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified accounting Standards.

The financial statements have been prepared on historical cost basis, except for financial instruments which have been measured at fair value at the end of each reporting period, as required by relevant Ind AS and as explained in the accounting policies mentioned below. The Company's functional and reporting currency is Indian National Rupee (INR).

The accounting Policies applied by the Company are consistent with those used in the prior periods, unless otherwise stated elsewhere in these financial statements.

These financial statements were approved by the Board of Directors and authorised for Issuance in their Meeting held on MAY 27, 2024.

**3. Material Accounting policies:****a) Significant accounting estimates, assumptions, and judgements:**

The preparation of Company's financial statements requires management to make accounting estimates, assumptions and judgements that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures of contingencies at the end of the reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amounts of assets or liabilities in future periods.

**Estimates and Assumptions:**

The key assumptions concerning the future and other key sources of estimation of uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The assumptions and estimates made by the Company are based on parameters available/prevaling when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market change or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**i. Business Model Assessment**

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024****ii. Defined Benefit Plans:**

The present value of the gratuity obligation is determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, rate of increment in salaries and mortality rates. Due to complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All the assumptions are reviewed at each reporting date.

**iii. Fair Value measurement:**

When the fair values of financial assets and financial liabilities on reporting date cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques i.e., the DCF model. The inputs to these models are taken from observable markets.

**iv. Contingencies:**

Management judgement is required for estimating the possible inflow/outflow of resources, if any, in respect of contingencies/claims/litigations against the Company/by the Company as it is not possible to predict the outcome of pending matters with accuracy.

**v. Property, Plant and Equipment:**

Based on internal technical assessment, the management has adopted the useful life and residual value of its Property, Plant and Equipment. Management believes that the assigned useful lives and residual value are reasonable.

**vi. Income Taxes:**

Management judgment is required for the calculation of provision for income taxes and deferred tax assets/liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets/liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the financial statements.

**vii. Lifetime Expected Credit Loss on Trade and Other Receivables:**

Trade and Other Receivables do not carry any interest and are stated at their transaction value as reduced by lifetime expected credit losses ("LTECL"). Management has evaluated LTECL for different class of its trade and other receivables as follows:

Particulars	Up to 1 Year	1-2 years	2-3 years	Beyond 3 years
Expected loss Rate (%)	0.00	50.00	100.00	Write off

**b) Property, Plant and Equipment:**

Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

The Company adopted cost model as its accounting policy in recognition of the property, Plant and Equipment and recognises the transaction value as the cost.

Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Capital work in progress includes cost of property, plant, and equipment under installation/under development as at the balance sheet date.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising from derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in the Statement of Profit and Loss. Property, Plant and Equipment which are found to be not usable or retired from active use or when no further benefits are expected from their use are removed from the books of account and the carrying value if any is charged to Statement of Profit and Loss.

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024**

Assets costing five thousand rupees or less are fully depreciated in the year of purchase.

Depreciation on Property, Plant and Equipment is provided based on the useful lives of the assets as estimated by the Management, which are in line with Schedule II to the Companies Act, 2013

Estimated useful life of the assets are as follows:

Type of the Asset	Method of Depreciation	Useful life considered (Years)
Buildings	WDV	60
Office Equipment	WDV	5
Furniture and Fittings	WDV	10
Vehicles	WDV	8-10
Computers	WDV	3
Air Conditioners	WDV	5
Right of Use Asset	SLM	Lease Period

**c) Investment Property:**

Property that was held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When a part of investment property is replaced, the original carrying amount of the replaced part is derecognised.

Where applicable, Investment properties are depreciated using the written down value method over their estimated useful lives. The useful life of buildings, classified as investment property, is considered as **60 years** as estimated by the Management.

Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their use. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit and loss in the period of derecognition.

**d) Impairment of non-financial assets:**

- i. The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.
- ii. Reversal of impairment losses recognised in prior years is recorded when there is an indication that the impairment losses recognised for the asset no longer exists or have decreased. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

**e) Leases:**

The determination of whether an agreement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024****Classification on inception of lease:****a. Operating lease:**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases.

**b. Finance Lease:**

A lease is classified as a financial lease where the lessor transfers substantially all the risks and rewards incidental to the ownership of the leased item.

**Accounting of Operating leases:****a. Where the Company is the lessee:**

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for Cancellable leases. For remaining leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the period of the lease. In case the escalation in operating lease payments is in line with the expected general inflation rate then the lease payments are charged to statement of profit and loss instead of straight-line method.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the lease period.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

**b. where the Company is the lessor:**

Lease income is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term. Initial direct costs such as legal costs, brokerage costs, etc., are added to the carrying amount of the leased asset and recognised as an expense over the lease term.

**f) Revenue recognition:**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable as reduced for estimated customer credits and other similar allowances

Specifically, the following basis is adopted for various sources of income:

**i. Interest Income**

Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

**ii. Dividend Income**

Dividend income is recognized when the right to receive payment is established and no significant uncertainty as to collectability exists.

**iii. Income from Investments**

Profit/loss earned on sale of investments is recognised on a settlement date basis. Profit or loss on sale of investments is determined on the basis of weighted average cost method. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024****g) Borrowing Costs:**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**h) Retirement and other employee benefits:**

- i. Employer's contribution to Provident Fund, which is in the nature of defined contribution scheme, is expensed off when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the fund.
- ii. The Company operates a gratuity plan which is in the nature of defined benefit obligation. The Company's liability is provided based on independent actuarial valuation on projected unit credit method made at the end of each financial year as per the requirements of Ind AS 19 on "Employee Benefits".
- iii. Gratuity liability is considered as post-employment benefit expense as per Ind AS -19. Accordingly, re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in the retained earnings in the statement of changes in equity and in the balance sheet.
- iv. Accumulated leaves, which are expected to be utilised within the next twelve months, are treated as short-term employee benefits. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leaves expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

**i) Earnings Per Share:**

Basic earnings per share are calculated by dividing the profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**j) Provisions:**

Provisions are recognised when there is a present legal or constructive obligation that can be estimated reliably, as a result of a past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses.

Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provisions.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provisions are reversed. Where the effect of the time of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provisions due to the passage of time is recognised as a finance cost.

**k) Contingencies:**

Where it is not probable that an inflow or an outflow of economic resources will be required, or the amount cannot be estimated reliably, the asset or the obligation is not recognised in the statement of balance sheet and is disclosed as a contingent asset or contingent liability. Possible outcomes on obligations/rights, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent assets or contingent liabilities.

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024****l) Taxes on Income:**

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Current tax includes taxes to be paid on the profit earned during the year and for the prior periods.

Deferred income taxes are provided based on the balance sheet approach considering the temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company write-off the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-off is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**m) Prior period items:**

In case prior period adjustments are material in nature the Company prepares the restated financial statement as required under Ind AS 8 - "Accounting Policies, Changes in Accounting Estimates and Errors". In case of immaterial items pertaining to prior periods shown under respective items in the Statement of Profit and Loss.

**n) Cash and cash equivalents:**

Cash and cash equivalents include cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investment with original maturities of three months or less that are readily convertible to a known amount of cash which are subject to an insignificant risk of changes in value and are held for Meeting short-term cash commitments.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

**o) Financial instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial Assets:****a. Initial recognition and measurement:**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

**b. Subsequent measurement:**

For the purpose of subsequent measurement, financial assets are classified in to following categories

- a. Debt instruments at amortised cost
- b. Debt Instruments at fair value through profit and loss (FVTPL)
- c. Equity instruments at fair value through profit and loss (FVTPL)

**a. Debts Instruments at amortised cost:**

A 'Debt Instrument' is measured at the amortised cost if both the following conditions are met:

- i. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024**

- ii. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortisation is included in other income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

- b. Debt Instruments at Fair value through profit and loss (FVTPL):**

As per the Ind AS 101 and Ind AS 109, the Company is permitted to designate the previously recognised financial asset at initial recognition irrevocably at fair value through profit and loss on the basis of fact and circumstances that exists on the date of transition to Ind AS. Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of Profit and Loss.

- c. Equity instruments at fair value through profit and loss (FVTPL):**

Equity instruments in the scope of Ind AS 109 are measured at fair value. The classification is made on initial recognition and is irrevocable. Subsequent changes in the fair values at each reporting date are recognised in the Statement of Profit and Loss.

- c. Derecognition:**

A financial asset or where applicable, a part of a financial asset is primarily derecognised when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates, if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

- d. Impairment of financial assets:**

In accordance with Ind AS 109, the Company applies the expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial instruments.

Expected credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive.

The management uses a provision matrix to determine the impairment loss on the portfolio of trade and other receivables. Provision matrix is based on its historically observed expected credit loss rates over the expected life of the trade receivables and is adjusted for forward looking estimates.

The expected credit loss allowance or reversal recognised during the period is recognised as income or expense, as the case may be, in the statement of profit and loss. In case of balance sheet, it is shown as an adjustment from the specific financial asset.

**Financial liabilities:**

- a. Initial recognition and measurement:**

At initial recognition, all financial liabilities are recognised at fair value and in the case of loans, borrowings and payables, net of directly attributable transaction costs.

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024****b. Subsequent measurement:****i. Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognised in the profit or loss. The Company does not designate any financial liability at fair value through profit or loss.

**ii. Financial liabilities at amortised cost:**

Amortised cost, in the case of financial liabilities with maturity more than one year, is calculated by discounting the future cash flows with an effective interest rate. Effective interest rate amortisation is included as finance costs in the statement of profit and loss. Financial liability with maturity of less than one year is shown at transaction value.

**c. Derecognition:**

Financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income or finance costs.

**Reclassification:**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

**p) Fair Value Measurement:**

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either

- in the principal market for such asset or liability, or
- in the absence of a principal market, in the most advantageous market which is accessible to the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a. Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- b. Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurements is directly or indirectly observable.
- c. Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re assessing the categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

**7. Sensitivity Analysis**

Amount in ₹ lakhs

Sensitivity	Change	Effect on obligations	
Discount Rate	+1%	(1.08)	(0.35)
	-1%	1.24	0.42
Salary Escalation Rate	+1%	1.16	0.40
	-1%	(1.03)	(0.35)
Attrition Rate	+1%	(0.13)	(0.35)
	-1%	0.15	0.06

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

**8. Expected Payout - Gratuity**

Expected payments – 1st Year	135.38	142.87
Expected payments – 2nd Year	0.42	0.08
Expected payments – 3rd Year	0.46	0.09
Expected payments – 4th Year	12.31	2.71
Expected payments – 5th Year	3.36	0.04
Expected payments – 6th year to 10th Year	5.70	1.06

**9. Other Information:**

**i. Plan Assets:**

The Company has invested plan assets with Life Insurance Corporation of India (LIC). Expected Return on Assets is based on rate of return declared by fund managers.

**ii. Present value of defined benefit obligation:**

Present value of the defined benefit obligation is calculated by using Projected Unit Credit method (PUC Method). Under the PUC method a "projected accrued benefit" is calculated at the beginning of the year and again at the end of the year for each benefit that will accrue for all active Members of the Plan. The "projected accrued benefit" is based on the Plan's accrual formula and upon service as of the beginning or end of the year but using a Member's final compensation projected to the age at which the employee is assumed to leave active service. The Plan Liability is the actuarial present value of the "projected accrued benefits" as of the beginning of the year for active Members.

**iii. Expected average remaining service Vs. Average Remaining Future Service:**

The average remaining service can be arithmetically arrived by deducting current age from normal retirement age whereas the expected average remaining future service has arrived actuarially by applying multiple decrements to the average remaining future service namely mortality and withdrawals. Thus, the expected average remaining service is always less than the average remaining future service.

**iv. The rate of escalation in compensation considered in the above valuation is estimated taking into account inflation, seniority, promotion and other relevant factors and the above information is as certified by an actuary.**

#### NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024

36. Disclosure of Trade Payables under financial liabilities is based on the information available with the Company regarding the status of the suppliers as defined under the "Micro, Small and Medium Enterprises Development Act, 2006" and relied upon by the Auditors. There are no amounts due to them as at the end of the year and there is no interest paid/payable during the year by the Company in terms of section 16 of the said Act.

The management assessed that cash and cash equivalents, trade receivables, trade payables and other assets/liabilities approximate their carrying amount largely due to the short-term maturities of these instruments.

The fair value of the financials assets and liabilities is reported at the amount at which the instrument could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- The fair values of the quoted equity shares are based on price quotations at the reporting date. The fair value of unquoted instruments in Mutual funds are based on the Net Asset Value provided by the Fund Manager as on the date of reporting.
- Fair value of security deposits has been calculated by discounting future cashflows using rates currently available for debt on similar terms, credit risk and remaining maturities.

Description of significant observable inputs to valuation:

- Interest free Security Deposits (assets):

Interest Rate factor has been considered at a rate of 9% p.a. by the Company for discounting the amount receivable at the time of maturity.

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024**

- b. Interest free Security Deposits (liabilities):  
Interest Rate factor has been considered at a rate of 10% p.a. by the Company for discounting the amount payable at the time of maturity.

42. **Financial Risk Management objectives and policies:**

The Company is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include market risk, credit risk and liquidity risk. The Company's risk management policies focus on the unpredictability of financial risks and seek guidelines, where appropriate, to minimize the potential adverse impact of such risks. There has been no change to the Company's exposure to these financial risks or the manner in which it manages and measures the risks.

The following sections provide the details regarding the Company's exposure to the financial risks associated with financial instruments held in the ordinary course of business and the objectives policies and processes for the management of these risks.

The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets include Investments, trade and other receivables and cash and cash equivalents are derived from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's management oversees the mitigation of the risks. The Company's financial risk activities are governed by appropriate policies and procedures and financial risks are identified, measured, and managed in accordance with the Company's policies and risk objectives. The management / Board reviews and agrees policies for managing each of these risks, which are summarized below.

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024****i. Market Risk:**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks such as equity risk. Financial instruments affected by market risk include loans and advances and deposits.

**a. Interest rate risk:**

Interest rate risk is the risk that the fair value or future cash flows of the Company and the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to interest rate risk arises primarily from the employee benefit plan, investment in debt mutual funds, fixed deposits and cash and cash equivalents.

As the Company invests primarily in fixed rate interest bearing deposits, the Company is not significantly exposed to interest rate risk. Further, as there are no borrowings the Company's policy to manage its interest cost does not arise.

The Company is not exposed to significant interest risk as at the respective reporting dates.

**b. Foreign Currency Risk:**

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Currency risk arises when transactions are denominated in foreign currencies.

As there were no transactions denominated in foreign currencies in any of the reporting periods, the Company is not exposed to any foreign currency risk as at the respective reporting dates.

**c. Other price risk:**

Other price risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer or by factors affecting all similar financial instruments traded in the market.

The Company is exposed to equity price risks arising from equity investments held by the Company and classified in the balance sheet as FVTPL. Mutual fund investments are susceptible to market price risk mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However, due to the long tenor of the underlying portfolio in the equity shares and growth funds they do not pose any significant price risk.

**ii. Credit risk:**

Credit risk is the risk of loss that may arise on outstanding financial instruments when a counterparty default on its obligations. The Company's exposure to credit risk arises primarily from trade and other receivables. For other financial assets (including cash and short-term deposit) the Company minimise credit risk by dealing exclusively with high credit rating counterparties. The Company's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Company trades only with recognised and creditworthy third parties. It is the Company's policy that all customers who wish to trade on credit terms are subject to credit verification procedures.

In addition, receivable balances are monitored on an ongoing basis with the result that the Company's exposure to bad debts is not significant.

**a. Exposure to credit risk:**

At the end of the reporting period the Company's maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statement of financial position. No other financial assets carry a significant exposure to credit risk.

**b. Credit risk concentration profile:**

At the end of the reporting period there were no significant concentrations of credit risk. The maximum exposures to credit risk in relation to each class of recognised financial assets is represented by the carrying amount of each financial assets as indicated in the balance sheet.

**c. Financial assets that are neither past due nor impaired:**

Trade and other receivables that are neither past due nor impaired are creditworthy debtors with a good payment record with the Company. Cash and short-term deposits that are neither past due nor

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2024**

impaired are placed with or entered with reputable banks financial institutions or companies with high credit ratings and no history of default.

**iii. Liquidity risk:**

The risk that an entity will encounter difficulty in Meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company ensures that it has sufficient cash on demand to meet expected operational demands including the servicing of financial obligations; this excludes the potential impact of extreme circumstances that cannot reasonably be predicted.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

Amount in ₹ lakhs				
Particulars	On demand	< 12 months	> 12months	Total
<b>Year ended 31 March, 2024</b>				
Trade Payable	--	1.46	--	<b>1.46</b>
Other Payable	--	1.70	--	<b>1.70</b>
Other financial liabilities	--	27.46	52.56	<b>80.02</b>
<b>Year ended 31 March, 2023</b>				
Trade Payable	--	0.39	--	<b>0.39</b>
Other Payable	--	1.73	--	<b>1.73</b>
Other financial liabilities	--	34.12	62.06	<b>96.18</b>

**Excessive Risk Concentration:**

Concentrations arise when a number of counterparties are engaged in similar business activities or activities in the same geographical region or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political, or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

**43. Capital Management:**

Capital includes equity attributable to the equity holders of the parent. The primary objective of capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder value.

The Company manages its capital structure and make adjustments to it in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

Currently the Company does not have loans and borrowings and maintains the entire capital in form of equity share capital.
